

EL REY PELAYO

Es una apacible mañana

Todo el mundo está tranquilo

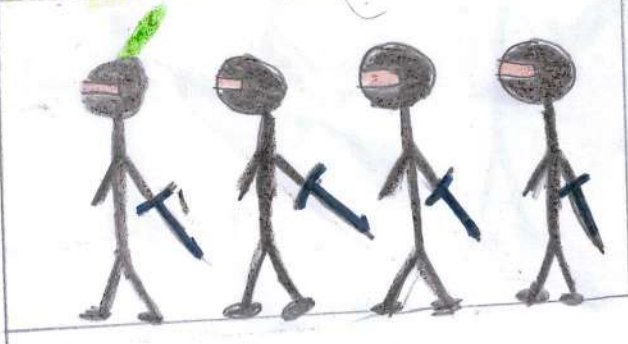

El castillo está tranquilo

El rey Pelayo está tranquilo

Entonces el ejército de los moros empieza una guerra en España

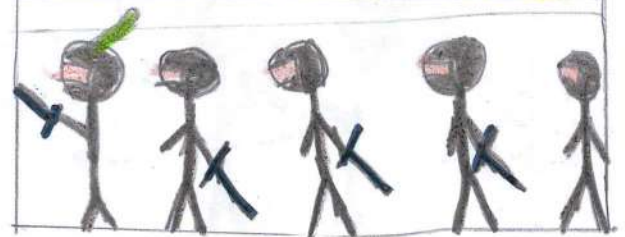

Empieza a invadir toda España

Pero aún les queda un pequeño lugar

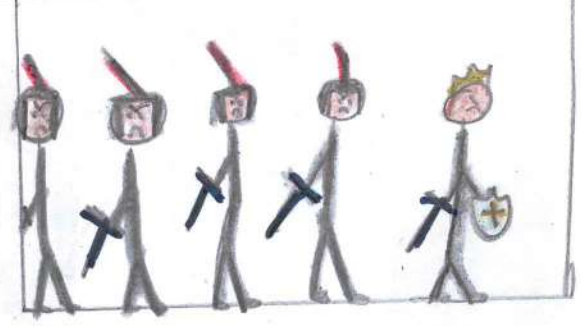

Así que se dirigen allí

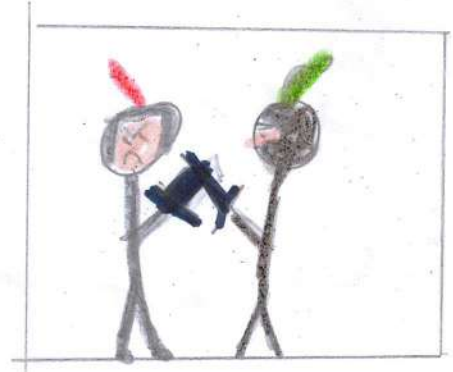

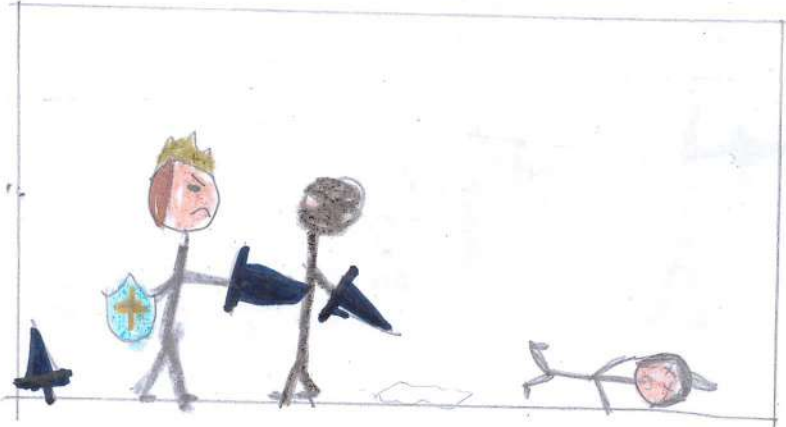

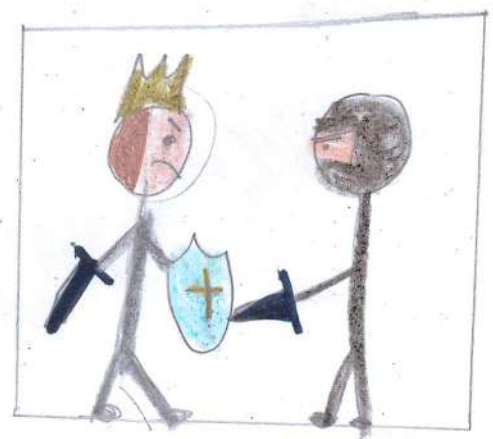

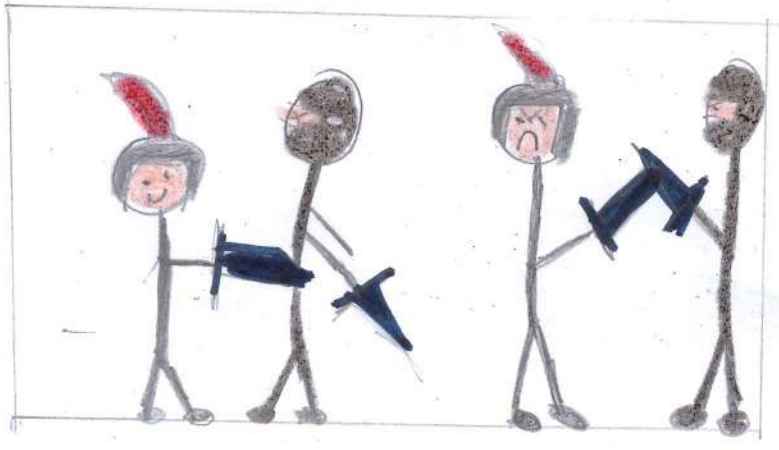

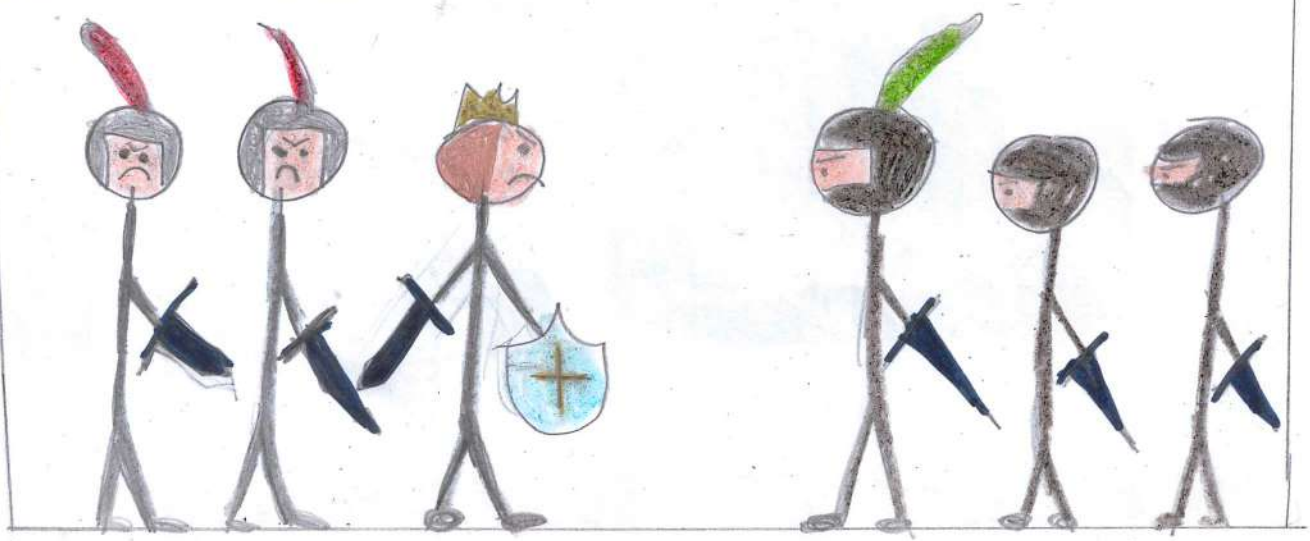

Y cuando llegan...

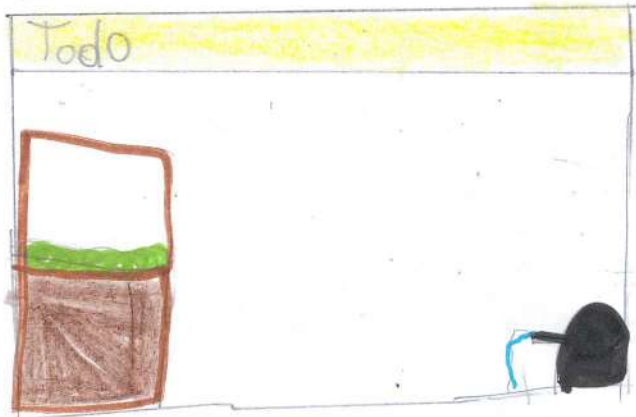

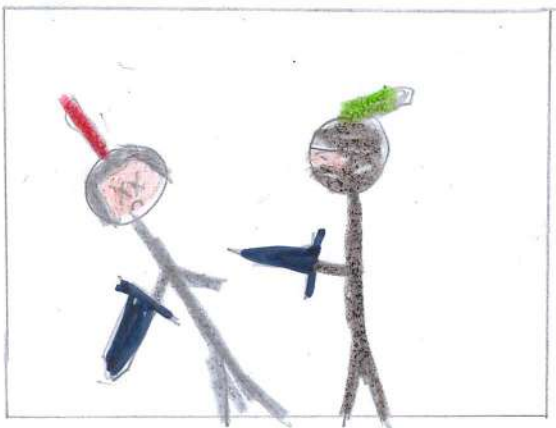

El Rey Pelago les espera

¡Y EMPIEZA LA BATALLA!

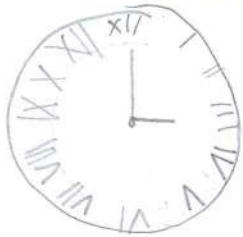

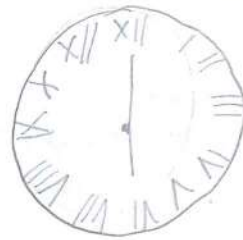

Bueno, excepto el campo de batalla

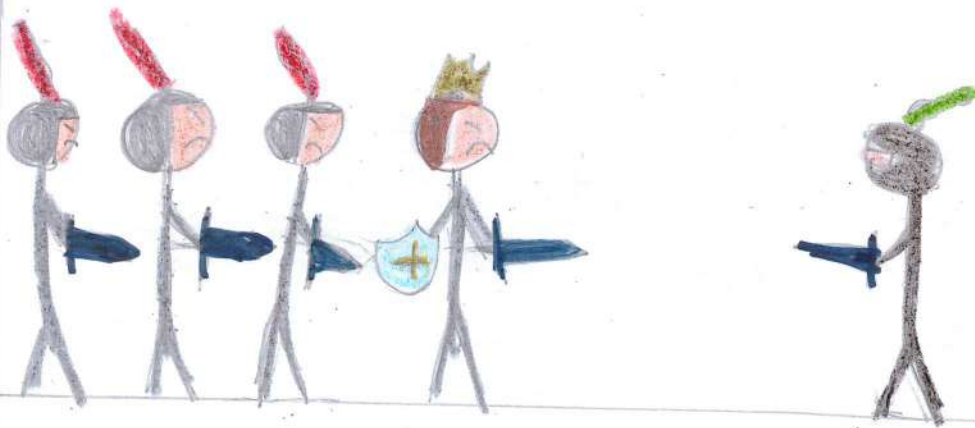

La batalla se prolonga...

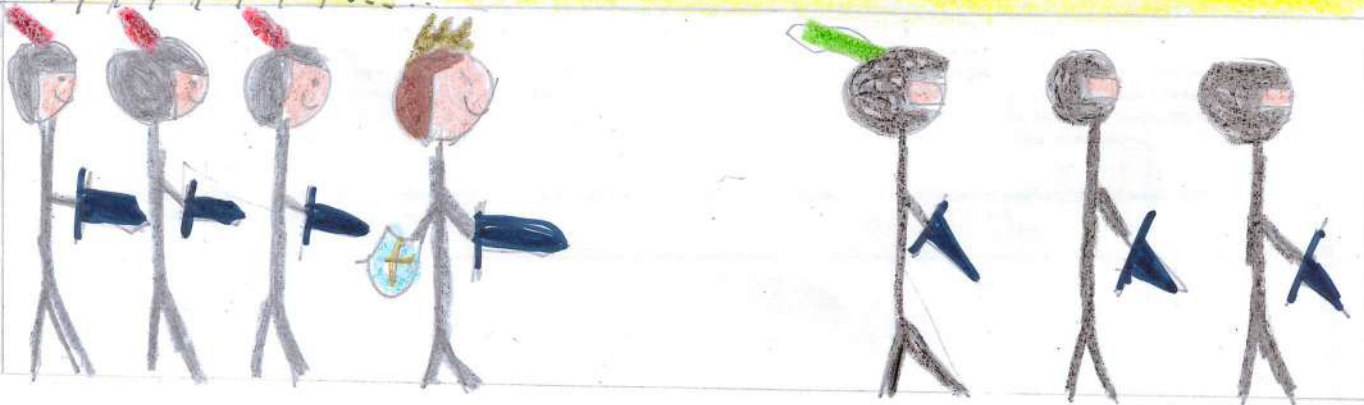

Demasiado

Llega la hora de la verdad
